

Homemade Laundry Detergent

100% Green & Non-Toxic

3/4 cup Castile Soap

1/2 cup super washing soda

1/2 cup borax

20-50 drops lavender (or other favorite essential oil)

In a 2 gallon bucket, mix the borax & soda. Cover with hot tap water to dissolve and stir. Fill bucket almost to the top with water, then add the castile soap & lavender. Makes 2 gallons. Use 1/3 cup per load for an HE washer.
